Call for Papers – EURAM 2008 Doctoral Colloquium May 14th 2008, Ljubljana & Bled (Slovenia)

You are a second or higher year doctoral student?
You would like to become part of a highly motivated community of young researchers?
You want to engage with doctoral students from different parts of Europe?
You want to become the winner of the “EURAM 2008 Doctoral Colloquium Best Paper Award”
You are ready to try something different?

Then we would like to invite you to participate in the EURAM 2008 doctoral colloquium!

Explore

Learn from leading management scholars!

In the first part of the colloquium experienced management scholars will share their experience in doing research and being a researcher. Learning from those scholars and ask them all the questions you've always wanted to ask management scholars is a great opportunity to become part of the management research community.

Experience

Learn from each other!

In the second part of the colloquium you will discuss your papers in small groups – each supervised by a senior researcher. The aim is not to give a “traditional” paper presentation but to briefly outline your research and then seek for advice and feedback for the particular questions you have. To do so we will circulate the papers of each member of a particular discussion group in advance to make sure that each one can read the papers of the others already on his/her way to Slovenia. Our scientific committee will decide about who will become the winner of the “EURAM 2008 Doctoral Colloquium Best Paper Award”.

Engage

Design the future of the EURAM doctoral colloquium!

In the third part of the colloquium we invite you to take part in the design of future doctoral colloquiums: If you could customize your doctoral colloquium which parts would you include? Where would you put the focus on – why? What are the innovative ideas that will mark the doctoral colloquium of the future?

By applying the approach of “social prototyping” you will jointly discuss and develop ideas about how to further improve the EURAM doctoral colloquium as important exchange, learning and communication platform.

Excited?

Please submit your CV, short letter of motivation, letter of recommendation by PhD supervisor & abstract (500 words) of the paper you would like to discuss **by February, 15, 2008**. Please submit HERE: <http://forms.eiasm.org/euram2008>

You will be notified about the decision of the doctoral colloquium committee by March 7, 2008.

If you have any problems or questions, please contact Ene Kannel (kannel@eiasm.be) from the EIASM office.

Participation fees: € 90

Chairs

Prof. Dr. Kathrin M. Möslin, University Erlangen-Nuremberg (Chair of Information System I) & CLIC (Center for Leading Innovation & Cooperation), HHL- Leipzig Graduate School of Management

Dr. Anne-Katrin Neyer, University Erlangen-Nuremberg (Chair of Information System I) & CLIC (Center for Leading Innovation & Cooperation), HHL- Leipzig Graduate School of Management
